Phase B					
Sodium Stearate	sodium stearate	Thickener	8.00	8.00	0.28
Kaolin Clay, Olive	kaolin	Texturizer	4.00	4.00	0.14
Caustic Soda 50%	sodium hydroxide, water	pH Adjuster	0.20	0.20	0.01
Woodland Essential Oil Blend	fragrance	Fragrance	0.20	0.20	0.01

Procedure

Heat phase A to 75-80C. Under constant stirring add slowly sodium stearate until melted and dissolved. Add remaining ingredients from phase B and blend well. Then remove from the heat and pour into stick containers.

Properties

Face Mask with green clay and dead sea mud. Helps clarify and detox the skin, supports the skin's natural defense mechanism. Highly nourishing due to its high mineral content.
