Fragrance Citrus Punch		0.20	0.20	0.01	0.04

#### Method

Discard 1/2) to the vessel first, mix. Add 3/4 with high sheer mixing (using a homogenizer or stick blender). Add 5) and blend well. Add 6) blend well. Weight all ingredients from phase B and add to a separate vessel. Heat phase B to 170F/65C. Heat phase A to the same temperature. Remove from the heat sources. Combine phase A to B and mix until homogeneous. Cool to 100F/40C. Add phase C to phase A/B, blend well after each ingredient. Mix until homogeneous.

#### Properties

Non-greasy cream, that includes different skin lighteners to work for spot treatment on hands, face and body. Use twice a day for several weeks/months. Skin will be sensitive to UV radiation, avoid the sun or use a sunscreen for protection.
