

## 1551 - Now or Never Night Cream

Weight: 100.00g

| Ingredient                          | INCI   | Function              | Percent Wgt (g) Wgt (oz) |      |      |
|-------------------------------------|--|-----------------------|--------------------------|------|------|
| <b>Phase A</b>                      |  |                       |                          |      |      |
| Distilled Water                     | aqua   | Diluent               |                          |      |      |
| Colloidal Oatmeal, USP              | avena sativa (oat) kernel flour              | Anti-Inflammatory     |                          |      |      |
| Glycerin, USP                       | glycerin                                     | Humectant             |                          |      |      |
| Xanthan Gum, Prehydrated            | xanthan gum                                  | Thickener             |                          |      |      |
| HE-Cellulose, Modified              | hydroxyethylcellulose                        | Thickener             |                          |      |      |
| <b>Phase B</b>                      |  |                       |                          |      |      |
| Squalane Light                      | C13-15 alkane                                | Emollient             |                          |      |      |
| CreamMaker CA-20                    | cetearyl alcohol, cetareth-20                | Emulsifier, Thickener |                          |      |      |
| Meadowfoam Seed Oil                 | limnanthes alba (meadowfoam) seed oil        | Emollient             |                          |      |      |
| Joboba Oil, USDA Certified Organic  | simmondsia chinensis (jojoba) seed oil       | Emollient             |                          |      |      |
| Sorbitan Stearate                   | sorbitan monostearate                        | Emulsifier            |                          |      |      |
| Candelilla Wax                      | euphorbia cerifera (candelilla) wax          | Thickener             |                          |      |      |
| Shea Butter, USDA Certified Organic | organic butyrospermum parkii (shea) butter   | Emollient             |                          |      |      |
| Cetyl Alcohol                       | cetyl alcohol                                | Thickener             |                          |      |      |
| <b>Phase C</b>                      |  |                       |                          |      |      |
| Pearl Powder                        | pearl powder                                 | Active                | 1.00                     | 1.00 | 0.04 |
| Phenylpropanol EHG                  | phenylpropanol, ethylhexylglycerin           | Preservative          | 0.80                     | 0.80 | 0.03 |
| Phenoxyethanol SA                   | phenoxyethanol, sorbic acid, caprylyl glycol | Preservative          | 0.60                     | 0.60 | 0.02 |

### Procedure

1. Combine phase A in a heat-resistant beaker. Stir well and allow to hydrate for 30 - 60 minutes. 2. Combine phase B in a separate beaker. Heat both beakers to 65 - 70 C. 3. Add phase A to B, stirring well and homogenize if necessary. 4. Remove from heat, stirring until cooled to 40 - 45 C and then add phase C and stir well. pH 5.5-6.0.

### Properties

Pleasant Night Cream with a variety of plant materials that will moisturize, nourish, protect and calm the skin. Plenty of natural ingredients that go well with the trend for sustainability, being organic and sourcing locally.
