Fragrance Natural Rose	fragrance	Fragrance	0.10	0.10	0.00

Procedure

Blend all oils until homogenous. Color in photo can be achieved by pre-dispersing a small amount of red 7 in triglyceride, adding it drop wise until desired color is achieved.

Properties

Antioxidant and anti-aging face Oil with the benefits of natural fatty acids of oats, soothing aloe vera, nourishing squalane, and rich antioxidants such as vitamin C and vitamin E. Face oil that softens, hydrates and nourishes the skin. Ideal for allover face and decollete. Quick absorbing.
