

1824 - Wrinkle Inhibitor Cream-Gel II (100.00g)

Ingredient	Function	Percent	Wgt (g)	Wgt (oz)	Vol (tsp.)
Phase A					
Distilled Water (aqua)	Diluent	67.80	67.80	2.39	13.56
Glycerin (glycerin)	Humectant	4.00	4.00	0.14	0.80
SkinLift DPHP (dipalmitoyl hydroxyproline)	Anti-Aging	1.00	1.00	0.04	0.20
Phase B					
Triglyceride (caprylic / capric triglyceride)	Emollient	5.00	5.00	0.18	1.00
Meadowfoam Seed Oil (Limnanthes Alba [Meadowfoam] seed oil)	Emollient	6.00	6.00	0.21	1.20
Albizia Flower Extract (glycerin, water, albizia julibrissin (silk tree) flower extract)	Vitamin	1.50	1.50	0.05	0.30
GelMaker EMU (sodium acrylate / sodium acryloyldimethyl taurate copolymer, isohexadecane, polysorbate 80)	Emulsifier	3.00	3.00	0.11	0.60
Phase C					
Argireline NP (acetyl hexapeptide-3, water)	Anti-Aging	5.00	5.00	0.18	1.00
SkinTight AP (algae extract, pullulan, water, ethanol)	Tightening	3.00	3.00	0.11	0.60
Vitamin A (retinyl palmitate)	Vitamin	0.50	0.50	0.02	0.10
Protein Hyaluronate Blend (Water, hydrolyzed rice protein, hydrolyzed pea protein, glycine, proline, hydrolyzed sodium hyaluronate)	Anti-Aging	2.00	2.00	0.07	0.40
Phenoxyethanol SA (phenoxyethanol, sorbic acid, caprylyl glycol)	Fragrance	1.00	1.00	0.04	0.20
Flavor/Fragrance Watermelon (watermelon)	Fragrance	0.20	0.20	0.01	0.04

Method

Phase A: weigh and add to a beaker glass, heat slightly to 140F/60F and blend well until skin lift dphp is dissolved. Phase B: weigh and add to a different beaker, stir well. Add phase A to phase B under stirring and blend well, using a homogenizer or stick blender if needed. Phase C: add once temperature has dropped below 40C/100F., blend well. Adjust viscosity with GelMaker EMU if needed. Fill the gel-cream into treatment pumps.

Properties

Argireline is a peptide that both reduces the degree of existing facial wrinkles and has been demonstrated effective against their development. SkinLift DPHP smoothes out the effects of aging wrinkles, crow's feet disappear and the skin becomes younger looking. It increases firmness of the skin and stimulates contraction of collagen fibers. Vitamin A and Albizia Flower Ext act as anti-oxidants and protect the skin from free radicals. Protein Hyaluronate Blend minimizes the appearance of deep wrinkles, reduces the appearance of age spots and provides great moisturizing effects due to hyaluronic acid.
