Lactic Acid	lactic acid	Acidulent	0.50	0.50	0.02

Procedure

Combine phase A until well mixed. Add phase B, one by one, and blend well until smooth and uniform. pH 4.5. Use: Apply a thin layer to the skin. Once dry rub off in gentle circular motion, perhaps damp hands are needed for a good rub-off.

Properties

Moisturizing and rejuvenating rub-off mask, with milk protein, but also hyaluronic acid and cucumber for hydrating and green clay to support skin health. Green clay provides the necessary elements to assist the skin in its rejuvenation process and supports the skin's natural defense mechanism.
