MC Eye Lash Serum

Specification Sheet

Description: Eye lash serum containing two clinically tested peptides that improve the appearance of eyelashes and noticeably intensify eye expression.

Ingredients: Water, myristoyl pentapeptide-17, myristoyl hexapeptide-16, 1,3 propanediol, squalane, caprylic capric triglyceride, c13-15 alkane, tocopheryl acetate, hydroxyethylcellulose, sodium acrylate/sodium acryloyldimethyl taurate copolymer (and) c15-19 alkane (and) polyglyceryl-6 laurate (and) polyglycerin-6, ethylhexylglycerin, caprylyl glycol, phenoxyethanol, sodium gluconate, sorbic acid.

Size: 10ml

Directions: Apply once daily to the root of the upper eyelashes using the applicator wand. The eye should be clean of any makeup. Avoid direct contact with eyes as serum may be irritant. If this should occur, rinse thoroughly with water. Best if used within 3 months. Apply for at least 2-4 weeks to see first visible effects; for best results apply 6-8 weeks.
