

1581 - Squeezable Cranberry Lip Balm (50.00g)

Ingredient	Function	Percent	Wgt (g)	Wgt (oz)	Vol (tsp.)
Phase A					
Triglyceride (caprylic / capric triglyceride)	Emollient	72.00	36.00	1.27	7.20
Coconut Oil Organic (cocos nucifera [Coconut] oil)	Emollient	10.00	5.00	0.18	1.00
Cranberry Seed Oil (Vaccinium Macrocarpon [Cranberry] seed oil)	Emollient	8.50	4.25	0.15	0.85
Polyamide-3 (polyamide-3)	Thickener	5.00	2.50	0.09	0.50
Brassica Glycerides (brassic glycerides)	Thickener, Conditioner	4.00	2.00	0.07	0.40
Phase B					
Vitamin E Tocopherol (dl-alpha tocopherol)	Antioxidant	0.40	0.20	0.01	0.04
Red No. 40 FD&C Lake (CI 15850 [red no. 40 FD&C lake])	Colorant	0.10	0.05	0.00	0.01

Method

Melt phase A together in a heat-resistant beaker. Disperse red 40 in a teaspoon of triglyceride, and add dropwise to phase A until desired color is achieved. Add vitamin E and stir well. Pour into squeeze tubes.

Properties

Cranberry seed oil provides nourishing fatty acids to the lips while red 40 provides a nice, subtle berry tint. This lip gloss provides non-sticky shine, perfect for light make-up looks.
