Charcoal Cleanser Base

Specification Sheet

Description: Gel cleanser made with activated charcoal for deep cleaning and exfoliating the skin. Charcoal absorbs dirt and other impurities leaving the skin purified and detoxified. Free of parabens, sulfates, phthalates. Enriched with multiple antioxidants and fruit-based exfoliants. Preserved with phenoxyethanol. pH value: 4.2 - 5.8

Ingredients: Water, cocamidopropyl betaine, sodium coco-glucoside tartrate, disodium coco-glucoside citrate, organic lavender flower water, roman chamomile flower water, activated charcoal, dmae bitartrate, glycerin, hydrolyzed wheat protein, provitamin B5, organic alcohol, organic rooibos leaf extract, organic sugar cane extract, organic bilberry fruit extract, organic sugar maple extract, organic orange peel extract, organic lemon peel extract, organic cranberry fruit extract, tea tree leaf essential oil, xanthan gum, tetrasodium glutamate diacetate, phenoxyethanol.

Use: Can be used as is on the skin or hair. Can be customized further by adding up to 10% (volume percentage) of additional liquid ingredients. Addition of acids should be avoided. Please note: If the base is heavily diluted the viscosity decreases and additional preservatives may be required.

Appearance: Dark gray to black gel.
