

Signature Lip Gloss Base

Specification Sheet

Description: Natural lip gloss base for making clear lip gloss. Simply add colors to create great custom lip gloss products.

Ingredients list: Hydrogenated polyisobutene, octyldodecanol, sclerocarya birrea (marula) kernel oil, tetradecane, vitus vinifera (grape) seed oil, persea gratissima (avocado) oil, tocopheryl acetate

Appearance: Clear gel, faint odor

Benefits:

- Soft, clear gel that has a satiny feel when applied
- Has just enough tackiness to stay on lips for several hours
- Offers balanced, light feel
- Contains natural marula, avocado and grape seed oils
- Easy to formulate with. No heating required
- Customize by adding colorants D&C colors in liquid form and micas
- 100% vegan

Use: Can be used as is or mixed with our organic liquid red colors or colored micas for variation. Blend well and transfer to vials using a syringe. Depending on the type of color add up to 10% of colors. For external use only.

Applications: Lip gloss.

Preservation: Vitamin E acetate (antioxidant)

Storage: Store in a closed container at a dry place at room temperature

Country of Origin: USA

Animal Testing: Not animal tested

Vegan: Does not contain animal-derived components

HS Code: 3304100000
