

## Hair Conditioner Base

### Specification Sheet

**Description:** Light natural, pH-balanced hair conditioner base that will seal in moisture and reduce static electricity for easier styling. Can be further customized with various active ingredients to meet your needs. For example, addition of wheat protein and provitamin B5 will nourish and protect the hair shaft without being heavy. Additional thickeners may be required if more than 10% of additional liquid ingredients are added. Use between 2-15 minutes on hair then rinse out, the longer it is left on the hair the more intense the conditioning effect.

**Ingredients:** Water (Aqua), Cetearyl Alcohol, PEG-40 Castor Oil, Stearalkonium Chloride, Phenoxyethanol, Aloe Barbadensis (Aloe Vera) Leaf Juice, Hydrolyzed Wheat Protein, Panthenol, Caprylic/Capric Triglyceride, Glycerin, Limnanthes Alba (Meadowfoam) Seed Oil

**Appearance:** Off-white light creamy texture

#### Benefits:

- It's balanced pH leaves hair shiny, soft and healthy.
- Contains Provitamin B5 and Wheat Protein to strengthen hair.
- This conditioner has a rich and smooth texture.

**Use:** Can be customized further by adding up to 10% (volume percentage) of additional liquid ingredients. Avoid strong acids as it may destabilize the conditioner. Slight separation may occur during long storage; can be easily reversed by mixing.

**Preservation:** Phenoxyethanol

**Storage:** Store in a closed container at a dry place at room temperature. Slight separation may occur during long storage; can be easily reversed by mixing.

**Country of Origin:** USA

**Animal Testing:** Not animal tested

**Vegan:** COPY/PASTE from website

**HS Code:** 3304990000
