

Leave-In Conditioner Spray Base

Specification Sheet

Description: Light leave-in conditioner spray base with excellent moisturizing and nourishing properties. Will leave the hair detangled, soft, and smooth. Contains organic aloe and neem, nourishing provitamin B5, smoothing castor oil, and strengthening hydrolyzed wheat protein. Suitable for all hair types.

Ingredients: Organic aloe leaf juice (aloe barbadensis), cetearyl alcohol, PEG-40 castor oil, stearylalkonium chloride, vitamin e (tocopherol), sunflower seed oil (helianthus annuus), organic neem seed oil (melia azadirachta), organic rosemary leaf extract (rosmarinus officinalis), organic sunflower seed oil (helianthus annuus), phenoxyethanol, hydrolyzed wheat protein, provitamin B5 (dl-panthenol), glycerin, meadowfoam seed oil (limnanthes alba), organic white willow bark extract (salix alba), organic alcohol, tetrasodium glutamate diacetate.

Appearance: Off-white opaque liquid

Benefits:

- Light but superbly effective spray conditioning base
- Works well on all hair types, even fine hair won't be weighed down
- Detangles those resistant knots

Use: Can be customized further by adding up to 10% (volume percentage) of additional liquid ingredients. Avoid strong acids as it may destabilize the conditioner. Slight separation may occur during long storage; can be easily reversed by mixing.

Preservation: Phenoxyethanol

Storage: Store in a closed container at a dry place at room temperature

Country of Origin: USA

Animal Testing: Not animal tested

Vegan: Does not contain animal-derived components

HS Code: 3304990000
