Phase D					
Gluconolactone SB	gluconolactone, sodium benzoate, calcium gluconate	Preservative	1.00	1.00	0.04
Fragrance Neroli	fragrance	Fragrance	0.20	0.20	0.01

Procedure

Combine phase A ingredients and stir until dissolved. Heat to 40°C/100°F. Add ICE Hair Restore, mix well using a homogenizer or stick blender. Add remaining ingredients of phase B, mix again well. Add phase C to phase A/B, one by one, blending well. Add phase D, blending well. Add a tint of a tan color: Add a mix of caramel and yellow 5 to 2 tsp of water, then add a few drops to the conditioner. Blend well. Finish with a last short mix using a homogenizer or stick blender to get a smooth consistency. Adjust to pH 4.5 if necessary using TEA (triethanolamine).

Properties

Intense deep conditioning Hair Mask with multiple proteins that strengthens, smoothes, and restores damaged, over-processed and dry hair. Emollients such as argan and coconut help soften and nourish. Use: apply a generous amount of clean wet hair, massage into hair and let penetrate for 10min. Rinse well, style as usual.
