

Jojoba Oil, USDA Certified Organic

Specification Sheet

Description: Organic pure liquid wax (not an oil as such) derived from the seeds of a plant (simmondsia chinensis) growing in the Sonora desert in the USA, composed of different liquid wax esters similar to human sebaceous, based on fatty acids & fatty alcohols (no triglycerides), cold-pressed, insoluble in water

CAS: 61789-91-1

INCI Name: Organic Simmondsia Chinensis (jojoba) seed oil

Composition: Organic Simmondsia Chinensis (jojoba) seed oil

Appearance: Clear oily golden liquid, no or faint odor

Benefits:

- Precious moisturizer and emollient
- Prevents transdermal water loss and retains moisture
- Good lubricant without leaving a greasy film on the skin as it penetrates the skin
- Regular application can reduce the appearance of fine lines and wrinkles

Use: Can be added to formulas as is, add to the fat phase. Use level 1-50%. For external use only.

Applications: Lotions, creams, nourishing skin & hair care products, body washes, shampoos, baby products, sun care & after sun products, makeup products, bath oils, facial rinses, hair rinses.

Solubility: Oil-Soluble

Preservation: Preservative-free

Storage: Store light-protected at a cool and dry place

Country of Origin: USA, Argentina, Israel, Panama

Raw material source: Seeds of Jojoba plant

Manufacture: Cold pressed from Jojoba seeds and then filtered

Animal Testing: Not animal tested
