

Replenishing Night Cream with “Premium Cream Base”

Phase A	Weight %	For 50 g / 1.8 oz
Premium Cream Base	89.8 %	45 g / 1.6 oz
Vitamin A Microcaps	5 %	2.5 g / 1/2 tsp
Ceramide Complex	5 %	2.5 g / 1/2 tsp
Phase B		
Fragrance (optional)	0.2 %	0.1 g / 3 drops

Method

Give Phase A into a clean cosmetic jar and stir well. Add phase B and stir well.

The cream can now be used. For keeping it fresh longer use a spatula to take out cream.

Properties

Moisturizing and nourishing night cream with squalane and jojoba oil. The added active ingredients will protect skin collagen from degradation and incorporates ceramides (skin-identical lipids) thereby restoring barrier function of skin. Deeply moisturizes & protects skin, increases bioavailability of ceramide VI by more than 38 %.
